University School of Jackson ANNUAL FUND

At USJ, our mission is to instill a passion for academic, artistic, and athletic excellence while committing to personal integrity, mutual respect, and life-long learning. Accomplishing this mission requires the commitment and assistance of the entire USJ community. What can you do to help?

You can make a gift to the Annual Fund. The generous support of Annual Fund donors allows us to bridge the gap between tuition and the total cost of a USJ education. A donation to the Annual Fund helps support faculty salary increases, professional development, instructional supplies, athletics, fine arts, and more. In essence, it supports the classroom experience and all of the many reasons that families choose USJ as their educational partner.

Your gift to the Annual Fund makes a difference at USJ. Whether you give \$50 or \$2,500, you are providing students with a complete educational experience and preparing them for a lifetime of success.
