

USJ Athletics Student/Parent Code of Conduct

STUDENT NAME: _____

GRADE: _____ SPORTS: _____

The athletic experience at USJ develops the whole person by emphasizing development of the student athlete's body, mind, heart, and spirit through emphasis on the following:

Discipline – Placing team before self and future accomplishments ahead of current comforts.

Vision – Helping the student athlete understand and embrace what can be accomplished with the combination of individual effort, teamwork, and a winning attitude.

Passion – Unleashing each student athlete's personal drive for excellence by creating a positive environment where working hard, both individually and together, is fun.

Conscience – Conducting all elements of the athletic experience in an ethical and uplifting manner with emphasis on a) two-way respect between coaches and student athletes, and b) outstanding sportsmanship at all times.

Athletics provides a living laboratory of learning where coaches consistently model and teach the school's Operating Principles: Integrity, Honesty, Respect, Responsibility, and Excellence.

This code is to be used for all sports at USJ. **In addition, each head coach will have specific rules that he/she expects to be followed by the player and parents.** Each player will receive a copy of USJ's Athletic Statement of Purpose and Intent as it applies to athletics accompanied by a letter from your sport's head coach which, together, will outline the following points: parent/player meetings, overall coaching philosophy, criteria for making the team (if applicable), practice and game schedules and expectations about practice, player behavior, sportsmanship, and conditioning.

USJ Athletics Student Code

• Along with the team training rules, players should be made aware that during their athletic participation, they represent the entire USJ community (past and present). Anything that would tarnish the reputation of our school (for example, poor sportsmanship, inappropriate appearance, etc.) is unacceptable.

I realize that it is a privilege to participate in athletics activities at USJ. Accordingly, I accept and will live by the following athletics code.
