

Our Mission:

To support all of USJ's visual and performing arts, including Band, Music, Art, Musical Theater and Drama, and Lower School class productions. Our support of students in the arts starts with Jr Cubs and follows the students all the way through graduation.

How Your Support Helps:

Our main source of financial support is through families who become Patrons & Corporate Sponsors. These funds help pay for theater, drama, choral and band productions and other fine arts events. We also provide scholarships and funding for summer enrichment and buy supplies and equipment for our Fine Arts teachers.

Behind The Scenes:

Volunteers help maintain the costume/prop closet, sell tickets and concessions, work backstage, recruit sponsors, and conduct fund-raisers along with many other opportunities for hands-on involvement. Our officers and committees oversee the general operations of the Guild and assist the Fine Arts departments, both in financial resources and in recruiting volunteer support.
